I AM LEARNING FRENCH AT THE FRENCH INSTITUTE

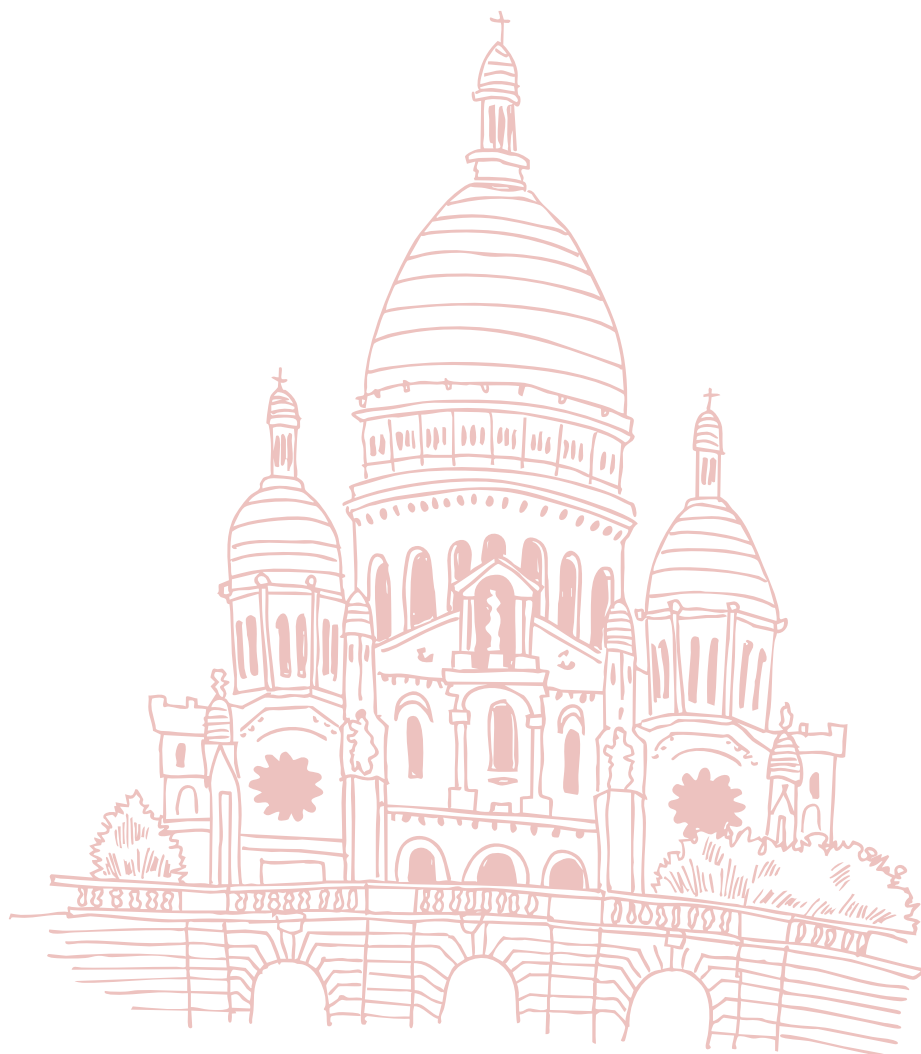

- 100 years of experience teaching French as a foreign language to all ages (from 17 months to 99 years old).
- A team of experienced and qualified teachers, native French speakers, with degrees in teaching French as a foreign language and certified DELF-DALF examiners.
- Personalised welcome and support for students.
- Free placement test (written and oral), lasting 1.5 hours.
- Free progress assessment tests, which take place outside of class hours and cover DELF B1-B2 and DALF
- C1-C2- Sorbonne levels.
- 85% pass rate for DELF-DALF exams.
- Two parent-teacher meetings for the teenage sections.
- Students in the children's and teenage sections have the opportunity to converse with bilingual students from the French school.

**Don't hesitate! Start learning
French today with in-person
and online classes**

Onsite and Online Courses

Classes are held in person at the French Institute on different days and at different times, allowing you to choose the ones that suit you best, while the online course option has been developed with great success.

Our online courses combine high-quality training with flexibility in terms of timetables and no travel. They guarantee the same results as face-to-face training.

MONTMARTRE

SECTIONS FOR CHILDREN

Lessons for children aged 3 to 10

Learn French using new teaching methods, with a focus on developing communication skills and guaranteed long-term exam success. The courses are taught by specialised teaching professionals who respect children's needs and parents' expectations for learning that is both fun and effective.

Workshops for parents and babies Aged 17 to 30 months

An ideal introduction to the musicality of language, accompanied by parents: games, songs and stories for children to familiarise themselves with the language, develop their concentration and memory, and encourage socialisation.

Children aged 3 to 5 years old

Children discover French through crafts and games. An excellent way to introduce a child to a foreign language in a fun way.

Children aged 6 to 10

Children learn to read, write and communicate in French. French is taught in a fun and interactive way.

SECTIONS FOR TEENAGERS

Courses for teenagers aged 10 to 17

Learn French through engaging lessons based on communicative methods and tailored to teenagers' interests. Through more formal but equally captivating teaching, teenagers have the opportunity to learn French for communication purposes, at the heart of contemporary French culture.

Department for preparation for the special panhellenic examinations course

This course, tailored to the requirements of national examinations, focuses on the subject of 'French Language' and aims to consolidate candidates' linguistic knowledge and introduce them to the concepts necessary for written comprehension and production.

It is aimed at Year 9 pupils with an A2 level.

Departments for teenagers

SECTIONS FOR ADULTS

Annual courses

Courses begin in September and end in May. They are tailored to the needs of students.

À la carte courses

At the French Institute you can create your own section based on the number of people and/or the different interests of a group.

Intensive courses

They enable you to quickly acquire a good command of the language and prepare you for certification examinations.

They can be annual, covering three levels in one year, or bi-monthly, covering a single level.

**Courses for adults enabling them to obtain
DELF A1-A2-B1 levels in one academic year!**

THEMATIC WORKSHOPS

Discussion section: conversation classes

It is aimed at those who wish to improve their oral comprehension and expression by practising with contemporary texts, by perfecting their pronunciation and correcting any imperfections.

Theatre Workshop

This workshop offers language learning through theatre, exploring classical and contemporary texts through recitation, role-playing and improvisation.

“I live in France or in a French-speaking country.”

This workshop is for those who wish to live in France for their studies, an internship or a job. You will quickly develop your oral and communication skills for everyday life, and get answers to all your questions about your stay in France.
